Repliez les coins le long de ce pli.

Starting with a square, color side up,
crease the center vertically as shown.
Fold the corners down along this crease.

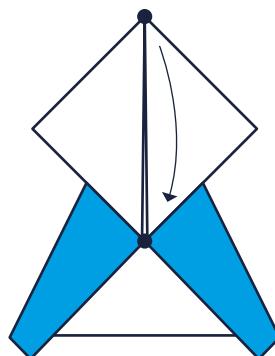

2. Comme cela, puis retourner la feuille.
Like this, then turn over.

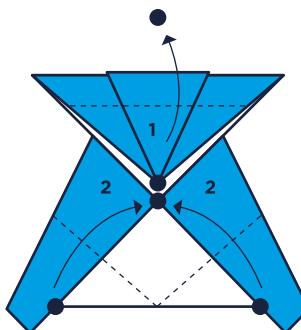

3. Pliez les bords vers le centre comme indiqué par les flèches

Fold the edges to the center
as indicated by the arrows.

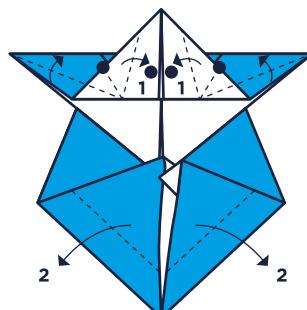

4. Vous obtenez un carré.
Plez le carré en deux.

You obtain a square.
Fold the square in half.

5. Plez un tiers en reliant les points (1), puis repliez les bords inférieurs le long de l'axe vertical (2).

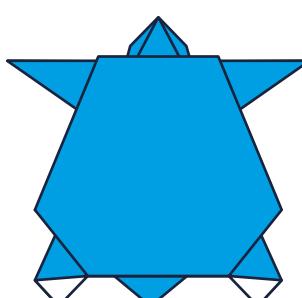

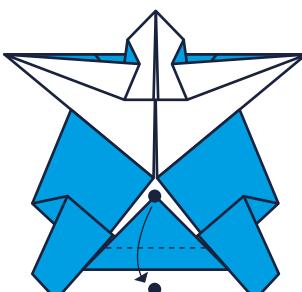

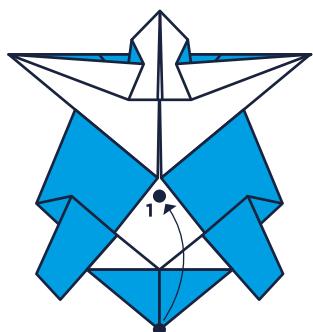

Fold up a third by joining the points (1), then
fold the bottom edges along the vertical axis (2).

6. Pour former les pattes supérieures, reliez les points en suivant les lignes de pliage (1) tout en rétrécissant la tête.

Puis repliez les pattes arrières (2).

To form the front legs, join the points noting
the fold lines (1) while narrowing the head.
Then fold back the back legs (2).

7. Pour former la queue, reliez les points (1) puis repliez d'un tiers en suivant la ligne de pliage.

To form the tail, join the points (1) and fold back a third noting the fold line.
